

ENGLISH TESTS: THE ADMISSIONS PERSPECTIVE

Language Testing Forum 2018

WHAT ARE THE ISSUES

- The need to make the right decision
- UKVI Licence
- Ability to participate successfully with the programme – and to succeed!
- Professional body accreditation and post qualification registration
- Variety of decision-makers within an institution
- Institutional expertise

WHAT DO WE WANT TO KNOW

- Not ideal but How does it 'compare' to IELTS?
 - Does it cover all four elements
 - How is it scored
 - Relationship to CEFR
 - Can we understand how it is marked
- Is it Accredited/ Validated?
- Is it a genuine result – can we verify it?
- Where can we get information from?
